How to search the Canadian Public Policy Collection

Business Library
Haskayne School of Business
June 2016
The Canadian Public Policy Collection is available through the eBrary database.

All titles in this collection are also found in the library catalogue where a link leads directly to the document.
Go to the Business Library homepage at http://library.ucalgary.ca/business and click on the Business Databases link. Scroll down the list and click on Ebrary.
Go to the Advanced Search
Use the pull-down menus to limit your search to the CEL Canadian Public Policy collection.

Also use this area to enter the key terms that describe your search. The + and - buttons allow you to add (or remove) additional criteria to limit your search. Click on the “Search” button.
The results of your search are displayed. Click on the title to view, read or download the document.
