Continuing Education Authentication
What is Authentication?

Sometimes you will be asked to authenticate before you can access the library resources.

This may happen if you are:

- Off-campus
- Using a database that is restricted to current students only such as Books 24x7 or Colourbox
- Trying to place a hold or check your library account
Use your UCID and Password to Authenticate.
Online Library Access

Continuing Education students who are enrolled in courses with 10 instructional hours or longer will have complete access to the online journals and eBooks available at the University of Calgary Library.

Troubleshooting

If you qualify for library access but cannot login with your UCID/Password, please contact the Continuing Education office at 403-220-2866.

Outside of regular hours (Mon-Fri, 8:30am–4pm), please contact the UCIT Support Centre. They can provide you with technical help. Please be sure to identify yourself as a Continuing Education student.
