Hathi Trust Digital Library

As a digital repository for the nation's great research libraries, HathiTrust brings together the immense collections of partner institutions. It was initially conceived as a collaboration of the thirteen universities of the Committee on Institutional Cooperation, the University of California system, and the University of Virginia to establish a repository for those universities to archive and share their digitized collections, and quickly expanded to include additional partners with fast growing treasure of digitized collections.
Central Authentication Service

HathiTrust of University of Michigan

You are about to access the service:

HathiTrust is an international partnership of academic and research institutions working together to ensure the long-term preservation and accessibility of the cultural record.
